# Testimonials

"I have had the pleasure of hearing Mira speak on two separate occasions and each time her words have touched my spirit in a way I didn't realize I needed to hear. She is passionate about what she speaks on and she is genuine. This comes across in the way she makes contact with everyone in the audience. Mira does not lecture when she speaks, she talks to you in a way that makes you want to continue to listen to her and at the end you feel like you have a new friend. God is truly working through her and blessed her with a beautiful gift."

**Danita Carter, Heart of Courage**

You were in my top 5 favorites from last summer. Our students gave you raving reviews in their exit interviews, even though you talked about a difficult subject that can rustle student's feathers.

**Garrett Smith, Mercy Street**

I have entrusted Mira on several occasions to bring the word to my congregation during Sunday service. On each occasion she did not disappoint. She is a powerful speaker who brings the word of God to life in a powerful way.

**Von Minor - Pastor of Restoration Community Church**

Mira has lead several conference workshops that I have hosted, through our church or my personal ministry. She always receives excellent feedback from participants!
